The President,
The University of Toronto,
City.

Dear Sir:-

Dr Charles Barolea, Professor of French at Edinburgh University, who is also the Belgian Consul at that place, and an author of international reputation, will be here on Monday ~~and~~ Tuesday of next week and will speak before the Canadian Club at luncheon on one of these days, (Monday) and we would like to secure the privilege of having him speak in Convocation Hall before a public audience ~~on Tuesday evening~~.

We have already written to the Superintendent in this matter, but in order to make quite sure that there should be no delay and that our application will be in time to place before the meeting that we understand is to take place tomorrow, we are also making application to you.

We would also like to know if the University will extend their patronage to the meeting.

Sincerely yours,

HB/TJ

Mr. Button, the manager of the J.M. Dent & Sons Co., who writes the enclosed letter, informs me that Dr. Sarolea is sent out by a Belgian Committee in England to raise funds for the reconstruction of Belgium after the war. He is lecturing to the Canadian Club on Monday at lunch time, in Hamilton Monday night and would like to speak in Convocation Hall on Tuesday night. The admission would be free but a collection would be taken up from those present.

The Superintendent,

Dear Sir:-

Dr Charles Carolea, Professor of French at Edinburgh University, who is also the Belgian Consul at that place, and an author of international reputation will be here on Monday *and* Tuesday of next week and will speak before the Canadian Club at luncheon on one *(Monday)* of these days, and we would like to secure the privilege of having him speak in Convocation Hall before a public audience, *on Tuesday Evening*

I have spoken to several of the Professors, all of whom strongly favour the suggestion, and hope that arrangements will be made.

If you could give us the Hall for Tuesday evening for this purpose we would consider it a favour, but we must know by return mail in order to get a capacity audience. It will also be necessary for us to telegraph Dr.

2.

Sarolca in order that he may arrange his move-
ments accordingly.

Thanking you in anticipation of your prompt
reply,

I am,

Sincerely yours,
